

## COVID VACCINE NEWSLETTER

Welcome to the latest edition of my COVID Vaccine Newsletter with information about vaccine distribution in our community.

I'm continuing to work with local officials and vaccine experts from across the state to help get vaccines in the arms of every Marylander who wants one.

**While Governor Hogan and our state and local leaders are solely responsible for the vaccine distribution and eligibility standards**, this newsletter will provide you the latest information about that process in each county in the Sixth District.

This newsletter includes information aggregated from multiple sources across the state. **For all questions and concerns related to Maryland's COVID-19 vaccine plan, please contact the office of Governor Larry Hogan.**

### WHAT PHASE ARE WE IN?

Following an order by Governor Hogan, Maryland has moved into Phase 1C of its distribution plan. According to the Maryland Department of Health, **the following individuals should now be eligible for the vaccine:**

- Residents age 65 and older
- Essential workers in food and agriculture, manufacturing, public transit, grocery stores, U.S. Postal Service, veterinary medicine, clergy, and more.

**However, it is important to note that Governor Hogan has given each county and vaccination site the ability to set their own eligibility requirements, which may differ from the statewide phase.**

For a complete list of who is eligible for a vaccine at this time, please click [here](#).

### WHERE CAN I GET MY VACCINE?

Each county is progressing along their vaccination plan at a different pace based on population size and the availability of the vaccine. Below is a list of the current vaccination sites available in each county. **You can also use [this tool](#) to find a COVID-19 vaccination site near you.**

**Please note that any Marylander that is qualified can register for a vaccine at a mass vaccination site. However, for all other vaccination sites, please be sure to ONLY SCHEDULE AN APPOINTMENT IN THE COUNTY IN WHICH YOU LIVE OR WORK.** If you schedule an appointment in another county, your appointment will likely be cancelled or you will be turned away.

#### STATEWIDE MASS VACCINATION SITES:

- [The Baltimore Convention Center:](#)
  - Individuals needing assistance to register for a vaccine appointment at the Baltimore Convention Center Field Hospital can call (443) 462-5511 from 9 a.m. to 4:30 p.m., Monday through Friday.

- Frostburg Senior Center: 301-689-5510
- George's Creek Senior Center: 301-783-1842
- Westernport Senior Center: 301-359-9930

#### GARRETT COUNTY:

- [Garrett County Health Department](#):
  - When vaccine appointments are available, Garrett County residents can find a registration link at the top of the [Garrett County Health Department website homepage](#). **ALL APPOINTMENTS ARE CURRENTLY FULL.**
  - If you are unable to register online but meet Phase 1C requirements, please call 301-334-7698.
- [Walgreens Grantsville](#)
- [Walgreens Oakland](#)
- [Walmart in Oakland](#): (301) 334-9129

#### VETERANS:

Currently, the VA is offering COVID-19 vaccine to veterans already receiving care from the VA, based on CDC and VA risk criteria. If you're eligible to get a vaccine, your VA health care team will contact you.

- [Washington DC VA Medical Center](#)
  - The Washington DC Veterans Affairs Medical Center is currently offering COVID-19 vaccinations, by appointment only to Veterans who are:
    - residing in the VA Community Living Center;
    - age 65 or older;
    - homeless or residing in group housing settings, such as Access Housing, US Veterans Initiative, Chesapeake Health Education Program, Safe Haven, Veterans on the Rise or VISTA, and have no other access to the vaccine;
    - currently on hemodialysis, on the transplant list or have had an organ transplant;
    - have cancer and are receiving IV chemotherapy at the medical center;
    - and essential frontline workers.
  - If you meet the above criteria and are enrolled for care at the DC VA Medical Center, and have not yet been contacted to schedule your COVID-19 vaccine, call (202) 745-4342 to make an appointment.
- [Martinsburg VA Medical Center](#)
  - Currently, enrolled Veterans 65 years of age or older or Veterans who are essential personnel as defined by the CDC are qualified to receive the COVID-19 vaccine.
  - Call the COVID Vaccine Call Center at 304-579-2550, Monday through Friday, 8 a.m. to 4:30 p.m. to schedule your appointment. Veterans will need to bring their VA ID card or Driver's License (or other identification) that shows their date of birth and Insurance Card if applicable.

During this webinar, you will be able to learn and discuss the COVID-19 vaccine rollout process in our communities and across the nation. The webinar will feature a panel discussion of county health officials from the Sixth District and include an opportunity for you to ask any questions you may have. Our panelists include:

- **Dr. Travis Gayles, Health Officer and Chief Public Health Services for Montgomery County**
- **Dr. Barbara Brookmyer, MD, Health Officer for Frederick County**
- **Earl Stoner, Health Officer for Washington County**
- **Bob Stephens, Health Officer for Garrett County**
- **And more!**
